has the pleasure to invite you to the

Third IFIP International Conference on New Technologies, Mobility and Security (NTMS'2009)

<http://www.ntms-conf.org>

Cairo – Egypt

20 – 23 December, 2009

About NTMS'2009

NTMS'2009 is the Third International Conference on New Technologies, Mobility and Security will be held in Cairo, Egypt.

NTMS'2009 aims at fostering advances in the areas of New Technologies, Wireless Networks, Mobile Computing, Ad hoc and Ambient Networks, Quality of Services, Network Security and E-commerce, to mention a few, and provides a dynamic forum for researchers, students and professionals to present their state-of-the-art research and development in these interesting areas.

The event will be combined with tutorial and keynote sessions. Tutorials will precede the main program, aiming at the dissemination of mature knowledge and technology advances in the field.

Sponsorship Invitation

NTMS'2009 Organizing Committee cordially invites you to an exciting corporate sponsorship opportunity.

Support for the conference will provide a unique opportunity for your organization to maintain a high profile and to communicate its message to an international audience of leading-edge system developers, researchers, innovators and early adopters, who are open to new ideas and in search of excellence. The program will include tutorial sessions addressed by pioneers of new technologies, mobility and security systems, from both the research and business sectors. Benefits will be consistent with those provided below and all sponsors will be acknowledged in the symposium program book and its website.

For more information on the sponsorship details, please contact us at contact@ntms-conf.org.

Sponsor support enables:

1. Conference fees to be kept as low as possible, enabling more qualified people to attend.
2. Partial travel support, as needed, for doctoral students from around the world, making it possible for these future faculty members to attend the conference at a formative stage in their careers.
